To all our valued clients....

It is hard to believe that we are coming to the end of yet another year, but with the Christmas lights well and truly lit and the festive season in full swing, we must all face the reality that another year has come to pass. 2014 has been an incredibly busy year for the girls at S'Kapade Hair and Beauty. Over the past year we have achieved some great milestones, welcomed new team members and become closer as a team. As per usual we are incredibly proud of the girls at S'Kapade, as they have managed to exceed our expectations once again. They have constantly demonstrated loyalty, reliability and positivity throughout the year. The salon is continuously filled with laughter, happiness and a positive atmosphere thanks to our wonderful team.

As the holiday season approaches, we'd like to take this opportunity to thank you for your continued loyalty. It is clients like you who make our jobs a pleasure and keep our salon a success. We hope that you have had a brilliant year and that you have enjoyed the comforting atmosphere and personal, cheery service that the girls at S'Kapade provide during your visits to the salon. We hope that you look forward to your hair appointments with excitement and that you leave feeling fabulous. We would like to thank you for your continued support. We wish you a wonderful, happy Christmas and may your New Year be filled with love, peace, health, happiness and beautiful hair!

The Most Popular Summer Styles of 2014

There's no excuse for a bad hair day! Whatever your hair colour, length, cut or texture, we've got the perfect style for you. Start planning your new season makeover now – with some help from the wonderful girls at S'kapade! These hairstyles are the hottest of 2014 and are your ticket to fabulous summer hair!

Sleek Ponytail

Switch up the classic ponytail to this sleek ponytail chicly wrapped at its base with a band of hair. Keep the hair off your neck during the heat of summer in a classy way!

Messy Fishtail

This loose fishtail highlights ombre hair perfectly. Ombre hair is the perfect way to lighten up your hair for summer without losing your dark roots.

French Braid

This reverse, mohawk-like French braid may be best viewed from the back, but unlike traditional braids, provides added volume at the crown. This French braid is the perfect style for Christmas!

Mermaid Curls

Good news for girls who are lazy with their hair; summer's biggest trend is laid-back, fuss-free mermaid waves. The more randomly placed and tousled the better!

Short Hair

Just when you think you've seen it all, Hollywood's brightest stars make short pixies, bobs, lobs and layers feel new all over again. Cool down this summer with a new short hairstyle!
