

S'kapade News: Keeping in Touch – Winter 2017

To our valued clients...

Welcome to our latest newsletter! We can't believe that we are already seven months into the year! We hope that your time with us these past few months has been enjoyable! The girls have loved meeting new clients, and catching up with those of you who have been with us through the years these past few months! Winter can be a tough time for your hair; with the dry, cold weather. So, make sure that you drop into the salon and ask our friendly team about advice for keeping your hair feeling fabulous during the gloomy winter months!

Congratulations Christina and Trevor!

Christina and Trevor have officially tied the knot! We are so happy and excited for them and their future together! The whole S'kapade team wishes them success—and most of all happiness—in their marriage!

Salon News

Jammie-Lee and Sam recently attended a Master colour course run by Stacey and Dom who are two very talented hair colourists and stylists. This course touched base with new colour techniques including Balayage, ombre', sombre', babylights and roots shadow.

Jammie-Lee and Sam brought back to the salon a better understanding of the differences between these techniques. People often believe that balayage, Ombre' and Sombre are the same thing, but in reality, they are very different. Jammie-Lee and Sam hope that they can

help give our clients a better understanding of the differences between these styles!

Balayage

French word meaning to sweep, a free hand technique and is designed to give a natural styled finish.

Ombre'

Transitional colour starting with dark roots blending out to a lighter end. Best suited to brunettes and is a low maintenance colour.

Sombre'

A subtle version of Ombre.

Babylights

Extremely fine highlights that look so natural that the hair almost looks undyed. This technique can be used to avoid harsh regrowth lines and is also used to blend in balayage.

Roots Shadow

Currently a popular trend that can be high fashion with dark, more creative colours blended out to very light mid to ends.

Introducing Amber!

Amber is our newest apprentice! Before starting with us at S'kapade, Amber attended Glenwood High School. Throughout years 8, 9 and 10 she travelled the world representing Australia in gymnastics (Trampolining)! She has recently decided to put that aside and further explore her passion in hair dressing, along with her sister Shannon! We are excited to have Amber on our team and look forward to teaching her everything there is to know about hairdressing!

Handmade using all natural ingredients i.e.: baking soda, citric acid, Epsom salts, cornflour, essential oils and coconut oil.
